

Old Business:

- The roof project for 6711 is complete and has been paid in full.
- The process to change the strata site entry doors and new intercom to enter the buildings has begun. More information will follow as to the start date and costs.
- The fire inspection report is completed and the invoice has been paid in full.

New Business:

- All parking is up to date.
- **PLEASE NOTE** that due to the Covid-19 measures required by vehicle insurance agencies, vehicle renewal service may be limited based on the company's policies. The insurance companies may not be able to provide the renewal tags for license plates, but any vehicles on strata property are required to be fully insured.
Storage insurance is not permitted. Please ensure that if you have tenants to let them know of this important bylaw. If no proof of insurance that the vehicle(s) is fully insured, then with adequate notice, the vehicle will be towed at the vehicle owner's expense.
- Due to Covid-19 and the recommendation for physical/social distancing, we ask that if you have any deliveries to the strata site, to please meet them at the front door for pickup, if possible, instead of the delivery company coming through the building(s) to minimize visitors at our site.

Meeting adjourned at 7:45pm. The next virtual strata meeting will be on Thursday, May 21, 2020 at 7:00pm
